**STAFF RECOMMENDATIONS:**

1. Adopt a Resolution for the Submittal of a Functional Classification Change for Local Streets and Roads to the State of California, Department of Transportation, of Del Puerto Canyon Road from Interstate 5 to the Santa Clara County line as a Major Collector.

**DISCUSSION:**

Stanislaus County currently maintains 1,510.54 miles of roadway as of December 31, 2016. Roadways are classified based on their function and capacity. Roadways can have classifications: Interstate, Expressway, Other Principal Arterial, Minor Arterial, Major Collector, Minor Collector, or Local. These are defined by the relationship of Accessibility and Mobility for each classification.

Del Puerto Canyon Road from Sperry Avenue to Santa Clara County is currently classified as a Minor Collector. Del Puerto Canyon Road is the only roadway in Stanislaus County that connects directly to Santa Clara County. Approximately 200 vehicles per day utilize Del Puerto Canyon Road.

Although the traffic volumes are consistent with that of a Local or Minor Collector, due to the connectivity (mobility), the loss of the route would compromise the integrity of the circulation system in the County. The 2016 General Plan update identifies Del Puerto Canyon Road from Interstate 5 to the Santa Clara County line as a Major Collector.

Modifying the classification to a Major Collector allows the use of Federal resurfacing funds on the roadway, which can help with the maintenance burden of this roadway due to natural events, such as falling rocks and mud slides. Maintaining the road reactively is time-consuming for Public Works operations staff due to the distance and length of the roadway.

Staff recommends that the Functional Classification of the roadway be changed to a Major Collector to increase funding options for the maintenance of the roadway.

Approval to Adopt a Resolution for the Submittal of a Functional Classification Change for Local Streets and Roads to the State of California, Department of Transportation, of Del Puerto Canyon Road from Interstate 5 to the Santa Clara County Line as a Major Collector

---

**POLICY ISSUE:**

Board approval is required by the Federal Highways Administration to submit a request to change the Functional Classification of a local road.

**FISCAL IMPACT:**

There is no fiscal impact associated with changing the functional classification of this road.

**BOARD OF SUPERVISORS' PRIORITY:**

The recommended action supports the Board's priorities of a Well Planned Infrastructure by refining the circulation system.

**STAFFING IMPACT:**

Existing Public Works staff will oversee this classification change.

THE FOLLOWING RESOLUTION WAS ADOPTED:

Item # \*C-3

**A RESOLUTION APPROVING THE SUBMITTAL OF A FUNCTIONAL CLASSIFICATION CHANGE  
FOR DEL PUERTO CANYON ROAD TO THE STATE OF CALIFORNIA, DEPARTMENT OF  
TRANSPORTATION**

WHEREAS, counties are responsible for initiating requests for changes to the functional classification of roads under their jurisdiction; and

WHEREAS, Stanislaus County receives State and Federal road improvement and maintenance funding based on roadway designations; and

WHEREAS, Del Puerto Canyon Road, from it's intersection with Interstate 5 to the Stanislaus/Santa Clara County line is currently classified as a Minor Collector; and

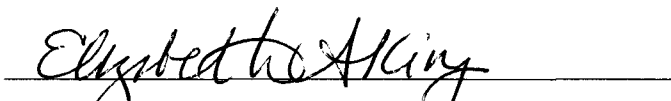

WHEREAS, Del Puerto Canyon Road is the only roadway in Stanislaus County that directly connects to Santa Clara County; and

WHEREAS, the roadway is prone to failures which would sever Stanislaus County's only connection to Santa Clara County; and

WHEREAS, the Functional Classification change of Del Puerto Canyon Road from a Minor Collector to a Major Collector has been reviewed and examined by the Board of Supervisors; and

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF SUPERVISORS OF STANISLAUS COUNTY does hereby confirm this resolution and approve the submittal of a Functional Classification Change of Del Puerto Canyon Road to the State of California, Department of Transportation.
