The Company cannot determine at this time when specific employees will be laid off according to the schedule described above because of Collective Bargaining language regarding bumping rights, the ability employees have to take a voluntary layoff by seniority; and the Company's right to retain skilled craft employees, such as mechanics, electricians and machinists, etc. out of seniority.

The hourly employees to be laid off at this facility are represented by a union. The name of that union is International Association of Machinist and Aerospace Workers. The name and address of the chief elected officers of that union are Mark A.
