STAFF RECOMMENDATIONS:

1. Proclaim the Month of November 2017 as Adoption and Permanency Awareness Month.

DISCUSSION:

Each year, the month of November is celebrated as National Adoption Awareness Month. During this time, the State and its counties engage in activities to promote awareness of the need for adoptive and permanent homes for the youth in temporary living situations such as foster care. There are seven adoption agencies in Stanislaus County that place children in permanent homes, ASPIRAnet Foster & Adoption Services, Bethany Christian Services, Family Connections Christian Adoptions, Uplift Family Services, Sierra Vista Child and Family Services, Koinonia Family Services and the Community Services Agency, Child and Family Services Division.

During Fiscal Year 2016-2017, ninety-four (94) adoptions were finalized in our agency. This means that ninety-four children who were unable to reunify with their biological parents have found permanency through adoption. The number of children formerly supervised by the agency and now being raised in adoptive homes continues to exceed the number of children currently residing in foster care.

CSA's vision is to continue to develop and provide the most comprehensive adoption program, which facilitates the utilization of supportive services during every aspect of the adoption process. Post adoption services are an important source of support to families once the adoption has been finalized. The past year's post adoption services have included:

Adoption Assistance Program

This program continually assesses families and implements federal grant funding that can provide financial assistance to adoptive families to meet the basic needs of the child, special needs assistance and medical.

Wraparound Services

Through a contract with ASPIRAnet, adoptive families are provided with intensive wraparound services to help maintain children in their home, whom otherwise would be placed in group home care.

Learning Library

Stanislaus County has teamed up with Family Connections Christian Adoptions, a local private adoption agency, to provide a library of books and DVD's free to loan for adoptive parents and families. This wonderful resource is housed at Family Connections Christian Adoptions Agency.

Web Page

The Stanislaus County adoption page is accessed through the Stanislaus County webpage. This evolving resource gives the viewer an overview of what adoption services our agency provides.

Adoptive Parents Night Out

Stanislaus County hosts an Adoption Awareness Dinner for adoptive parents during the month of November. A guest speaker presents on a topic that is relevant to adoptive families. This adult dinner allows for adoptive parents to mingle with other adoptive parents and to build their network of resources.

The agency is requesting that the Board of Supervisors proclaim November as Adoption and Permanency Awareness Month in Stanislaus County. The resolution will be presented to various adoptive agencies that are headquartered in Stanislaus County.
