Subject: Director position

To: El Solyo Water District

Audrey, Henry, Steve, Jim and Stephen,

This past week, my uncle and I reached an agreement to dissolve the Gaspar & Nunes Ranches partnership as of October 31, 2017. As part of the agreement, I am granting Norman Gaspar my undivided 50% ownership of the Oaklea Road parcel that we have been farming since 2008. Now that I am not an active owner of property within the boundaries of the El Solyo Water District, I am hereby resigning my position as a Director, effective October 31st. It has been a pleasure to work with each of you in setting a course for the district to sail in the coming years and know that all of you will continue to an excellent job into the future. Thanks for everything!!!

Sincerely,

Greg
