**SUBJECT:**

Approval to Adopt the Recommended Decision of the Nuisance Abatement Hearing Board Regarding the Property at 4442 Jennings Road, Modesto, California

**STAFF RECOMMENDATION:**

1. Adopt the recommended decision of the Nuisance Abatement Hearing Board regarding the property at 4442 Jennings Road, Modesto, California, CE No. 17-0135, as set forth in Attachment 1.

**DISCUSSION:**

The Code Enforcement Unit (CEU) responds to complaints throughout the unincorporated area of Stanislaus County and attempts to gain voluntary compliance through education and personal contact with property owners and those persons responsible for creating nuisances. Compliance efforts include issuing Notice and Orders to Abate, conducting inspections, granting extension requests, issuing Administrative Civil Citations, recording Notices of Non-compliance with the Clerk-Recorder's Office, presenting cases before the Nuisance Abatement Hearing Board and the Board of Supervisors, obtaining inspection warrants, and conducting forced clean-ups.

On June 28, 2017, in response to a complaint regarding a property littered with junk, trash, and debris, CEU staff conducted an inspection at 4442 Jennings Road, Modesto, California, and verified the property contained an unlawful accumulation of debris, refuse, rubbish, and junk in excess of two-hundred square feet. Subsequently, a Notice and Order to Abate was issued on July 27, 2017, followed by several compliance inspections that were conducted between September 13, 2017, and December 5, 2017. These compliance inspections revealed that the property remained in violation and no compliance efforts had been initiated. Failure to comply with the Notice and Order to Abate resulted with a Notice of Non-compliance being recorded with the Clerk-Recorder's Office and three Administrative Civil Citations being issued on September 14, 2017, October 6, 2017, and November 1, 2017.

John E. Clark is the current owner of record according to the County Assessor's Office, the County Clerk-Recorder's Office, and a title report obtained from Stewart Title Company. The person(s) with a recorded interest in the subject property was notified of this action and has refused to comply with the Notice and Order to Abate.

On December 14, 2017, the Nuisance Abatement Hearing Board supported staff's recommendation to declare the property a nuisance and forwarded the matter to the Board of Supervisors recommending approval (Attachment 1). The Board may adopt, modify, or reject the recommendations, and, if adopted, the property owner will be required to abate the nuisance within two weeks of the Board's decision by complying with the requirements identified in Attachment 1. Should the owner fail to comply, staff will apply for an inspection and abatement warrant with the Superior Court and, if approved, will conduct a forced clean-up by removing all the junk, debris, refuse, and rubbish.

The cost of the abatement will be charged to the property owner and, if the responsible person(s) fails to pay the cost of abatement, a Notice of Abatement Lien will be recorded against the property. Additionally, the Notice of Non-compliance will remain filed in the Clerk-Recorder's Office until the property has been brought into compliance.

**POLICY ISSUE:**

The Board of Supervisor's approval of a recommended decision of the Nuisance Abatement Hearing Board is necessary before a forced clean-up action can be initiated pursuant to Stanislaus County Code Section 2.92.010. Continuing violations that exist on properties may constitute a public nuisance if they remain unabated.

**FISCAL IMPACT:**

There is a potential fiscal impact if the property owner fail to comply and the Department is forced to incur abatement costs. The Department has budgeted for abatements and will request estimates from contractors if this item is approved and the property owner fail to abate the nuisance(s). However, if a forced abatement is necessary, the costs will be charged to the property owner and if the responsible person(s) fail to pay the cost of abatement, the case will be turned over to Revenue Recovery. If the charges ultimately remain unpaid, a Notice of Abatement Lien will be recorded against the property. The Department estimates the cost of cleanup at approximately \$7,000.

**BOARD OF SUPERVISORS' PRIORITY:**

The recommended action is consistent with the Boards' priorities of *Supporting Strong and Safe Neighborhoods* and *Delivering Efficient Public Services* by improving the quality of life of the community.

**STAFFING IMPACT:**

If the owner fails to comply, Code Enforcement staff will properly dispose of all the junk, debris, refuse, and rubbish.

### **RECOMMENDED DECISION**

**IN RE: 4442 Jennings Road, Modesto, CA  
Abatement Hearing No. CE# 17-0135**

The above referenced matter came before the Nuisance Abatement Hearing Board for hearing on December 14, 2017. Upon consideration of oral testimony and documentary evidence presented at the hearing, the Nuisance Abatement Board makes the following findings of fact and conclusions:

1. The property located at 4442 Jennings Road, Modesto, CA, in the unincorporated area of Stanislaus County, California, also identified as Assessor's Parcel Number 017-051-011, is zoned A-2, General Agriculture District.
2. County Staff confirmed the existence of and presented evidence of violations of Stanislaus County Codes, (as listed in the County Code(s) or interpreted or determined to violate County Code(s)) occurring on the property, as noted in "Attachment A."
3. All interested parties were served a Notice and Order to Abate pursuant to Stanislaus County Code Section 2.92.030, describing the conditions or use of the property that constitutes the violations and ordering abatement of those conditions.
4. County staff has attempted to obtain voluntary compliance by the interested parties, and the interested parties have had significant and reasonable time to correct all violations but have refused and/or failed to meet the deadlines prescribed by Notice.
5. The owners have the legal responsibility for maintenance of the property in conformance with the applicable law, ordinance and rules, including abatement of all violations and compliance with all orders of the County.
6. The interested parties were served proper Notice of Hearing to Abate Nuisance pursuant to Stanislaus County Code Section 2.92.070.
7. Based on the evidence and testimony presented at the hearing, which is incorporated herein by reference, there is substantial evidence that violations of the Stanislaus County Code, as set forth in the staff report for the matter, still exists on the property.
8. Pursuant to Stanislaus County Code Section 2.92.010, the continuing violations that exist on the property constitute a public nuisance.

The Nuisance Abatement Hearing Board further recommends the Board of Supervisors adopt the following decision:

Approve Staff's recommendation and determine the use of the property described as an unlawful accumulation of debris, refuse, rubbish, and unlawful junkyard in the staff report are a violation of Stanislaus County Code Section 9.04.020, Section 21.20.020, and Section 21.16.040.

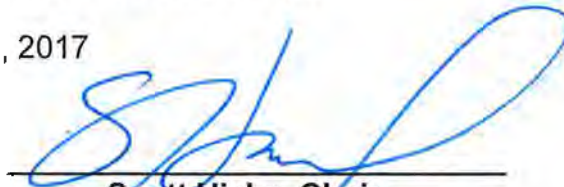

1. Order the owner and interested parties to abate the nuisance on the property within two weeks from the date of the Board decision by correcting the condition or use of the property as set forth in the staff report on this matter.
2. Authorize the County to abate the nuisance and to charge the costs of the abatement to the County if the Owners or other interested parties do not abate the nuisance within the specified time period.
3. Authorize County staff, pursuant to Stanislaus County Code Section 2.92.070, to dispose of any material, equipment, vehicles or other personal property removed from the property to abate a nuisance in any manner authorized by law, and to charge the costs of disposal to the owners and/or interested parties as part of the cost of abatement.
4. Authorize County staff to charge the owners and/or interested parties for County staff time incurred to investigate through the Abatement Hearing.
5. Order a Notice of Abatement Lien be recorded against the property if the owners and/or interested parties fail to pay the costs demanded by the County.

Deny Staff's recommendation and determine the use of the property described as an unlawful accumulation of debris, refuse, rubbish, and unlawful junkyard in the staff report are not a violation of Stanislaus County Code Section 9.04.020, Section 21.20.020, and Section 21.16.040.

NOW THEREFORE, the Nuisance Abatement Hearing Board orders the Director to forward these findings and conclusions and its recommended decision to the Stanislaus County Board of Supervisors within 30 days.

Dated: December 14, 2017

Scott Hicks, Chair

Stanislaus County Nuisance Abatement Hearing Board

It should be noted that on January 9, 2018 the Board of Supervisors will hear this matter as a consent item.
