DISCUSSION:

Government Code Section 26920(a) mandates the County Auditor-Controller review the Treasurer's Statement of Assets in the County Treasury at least once each quarter. The review shall be accomplished and a report issued to the Board of Supervisors in accordance with the appropriate professional standards, as determined by the County Auditor-Controller.

Government Code Section 26920(b) further mandates the County Auditor-Controller perform or cause to be performed an audit of the assets in the County Treasury at least annually and express an opinion whether the Treasurer's Statement of Assets is presented fairly and in accordance with Generally Accepted Accounting Principles. To meet this annual audit requirement, the County determined the annual external financial audit complies with this mandate.

Additionally, Government Code Sections 53601 and 53635 provide restrictions and guidelines to define the type of investments authorized, maturity limitations, portfolio diversification (maximum percent of portfolio), credit quality standards, and purchase restrictions. All investments held in the County Treasury are physically reviewed for compliance during the quarterly review to ensure conformity with Government Code.

The purpose of the County Auditor-Controller's review was to determine whether cash and investments held by the Treasurer, and as shown on the statement as attached, were as stated.

Based on the review, the statement presents, in all material respects, the Treasurer's Statement of Assets of the County of Stanislaus as of September 19, 2017.

Upon acceptance of the Chairman of the Board, the report will be distributed to the Clerk of the Board as required by Government Code Section 26922.

POLICY ISSUE:

Government Code Section 26920(a) requires a quarterly review of the County Treasurer's Statement of Assets be performed by the County Auditor-Controller. The Stanislaus County Treasurer's Investment Policy and Government Code Sections 53601 and 53635 provide the guidelines on authorized investments and percentage limits on those investments.

ACCOUNTANT'S REPORT

November 27, 2017

Board of Supervisors
County of Stanislaus
Modesto, CA

We have reviewed the Treasurer's Statement of Assets of the County of Stanislaus, California as of September 19, 2017, as required by California Government Code Sections 26920(a) and 26922. The County Treasurer is responsible for the Statement of Assets. The purpose of the review was to determine whether cash and investments held by the Treasurer, and as shown on the statement, were as stated.

Our review was conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing*, published by the Institute of Internal Auditors. These standards require that we plan and perform the review to provide sufficient, reliable, and useful evidence to achieve the objectives.

The Auditor-Controller is mandated by various statutes within the California Government Code to perform certain accounting, auditing, and financial reporting functions. These activities, in themselves, necessarily impair the auditor's independence. Although the Auditor-Controller is statutorily obligated to maintain the accounts of departments, districts or funds that are contained within the County Treasury, we believe adequate safeguards and divisions of responsibility exist.

Based on our review, the statement referred to above presents, in all material respects, the Treasurer's Statement of Assets of the County of Stanislaus as of September 19, 2017.
