STAFF RECOMMENDATION:

1. Authorize the Registrar of Voters to apply for and receive Help America Vote Act (HAVA) Section 251 Grant Funds for the improvement of the administration of elections.
2. Authorize the Registrar of Voters to negotiate, award, and execute an agreement, including any extensions or amendments, with the California Secretary of State, in an amount not exceed \$20,000 for the period December 1, 2017 through June 30, 2019.
3. Approve the Registrar of Voters to negotiate, award, and execute all corresponding contracts, not to exceed the \$20,000 grant.
4. Authorize the Auditor-Controller to increase appropriations and estimated revenue in the amount of \$20,000 as detailed in the attached Budget Journal Form.

DISCUSSION:

On October 29, 2002, then President Bush signed the "Help America Vote Act of 2002" (HAVA) into law. The legislation is designed to improve the administration of elections in the United States.

HAVA Section 251 authorizes the creation of federal grant programs that support efforts to ensure that persons with disabilities, including physical, developmental or other disabilities, also referenced as the full range of disabilities, have access to the election process. The California Secretary of State has allocated Federal HAVA Section 251 grant funds for California counties to assist the County in, or reimburse the County for, compliance with the requirements of HAVA Section 251. To implement HAVA Section 251, the California Secretary of State has made grant funding available through the HAVA Polling Place Accessibility Training Program (Grant Funds).

To access the Grant Funds, the County must enter into an agreement with the California Secretary of State and agree to have at least one County employee attend the regional training sessions sponsored by the Secretary of State. The training sessions will assist counties to understand the Accessibility Guidelines referenced in Elections Code section 12280; to teach counties techniques for surveying election polling sites using the guidelines; and, to assist counties with the purchase of equipment and supplies to improve accessibility to election polling sites.

The Grant Funds will be used to pay for staff salaries and benefits incurred for accessibility surveys of polling places to make polling places, including the path or travel, entrances, exits, and voting areas of each polling facility, accessible to individuals with the full range of disabilities to provide the same opportunity for access and participation as other voters. The Grant Funds will also be used to acquire and/or deploy a remote accessible vote by mail system which allows a voter with a disability to receive a blank ballot to mark electronically, print and then cast by returning the printed ballot to the elections office.

It is recommended the Registrar of Voters be authorized to apply for and receive the Grant Funds and be given the approval to negotiate, award, and execute an agreement with the California Secretary of State, in an amount not to exceed \$20,000. It is further recommended the Registrar of Voters be authorized to negotiate, award, and execute all corresponding contracts needed to implement the use of the Grant Funds. It is also recommended the Auditor-Controller be authorized to increase appropriations and estimated revenue in the amount of \$20,000 as detailed in the attached Budget Journal Form.

POLICY ISSUE:

Approval of the recommendations will allow the Registrar of Voters to continue to improve the administration of elections and ensure that persons with disabilities, including physical, developmental or other disabilities, also referenced as the full range of disabilities, have access to the election process.

FISCAL IMPACT:

If approved, the Grant Funds in the amount of \$20,000 would be set aside specifically for the program on a cost reimbursement basis. The Registrar of Voters will be reimbursed for all services provided under the agreement. The increase in appropriations and estimated revenue will be funded in the County Clerk-Recorder Elections Division budget. There is no County match required to receive the Grant Funds.

BOARD OF SUPERVISORS' PRIORITY:

The recommended actions are consistent with the Boards' priority of *Delivering Efficient Public Services and Infrastructure* by continuing to improve the administration of elections and the access and participation to individuals with disabilities.

STAFFING IMPACT:

Existing staff will attend training, survey election polling locations, purchase equipment and meet the terms of the agreement.

EXHIBIT D
(Standard Agreement)

B. GENERAL PROVISIONS

1. The program is conditioned on State receiving reimbursement from the federal government pursuant to HAVA, for federal fiscal year 2017 and 2018.
2. HAVA funds can only be used for the purposes for which the HAVA funds are made;
3. No portion of any HAVA funds shall be used for partisan political purposes. All contractors providing services are required to sign an agreement, please see Exhibit E Item 1, to abide by the Secretary of States' policy to refrain from engaging in political activities that call into question the impartiality of the Secretary of State's Office. County is to submit agreement signed by each employee of contractor's firm who worked for County pursuant to this Agreement with the County's first invoice.
4. The provisions of the federal *Hatch Act* shall apply to employees working for state and local entities receiving HAVA funds. The *Hatch Act* may be reviewed at http://www.osc.gov/documents/hatchact/ha_sta.pdf;
5. Any interest earned by County on money received pursuant to this Agreement must be reported in writing to the Secretary of State within 30 days of expiration of this Agreement. All interest must be used by the County for the purposes of implementing activities allowable under this Agreement;
6. Failure by any eligible County to execute a contract within 90 days of the date on which this contract is made available shall constitute an express desire to forego its use of the County's proportionate share of these funds, which may result in reallocation of that County's proportionate share of funds to other counties for the purposes provided under this contract.
7. Funds not claimed by County within 90 days of the end date of this contract, or any funds claimed by a county that are not approved for county use by the Secretary of State within 180 days of the end date of this contract, shall be reallocated to the Counties based on need and may only be used to meet Section 251 of HAVA;
8. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel Agreement with no liability occurring to the State, or offer an Agreement amendment to County to reflect any reduced amount;
9. Agreement is subject to any restrictions, limitations or conditions enacted or promulgated by the United States Government, or any agency thereof, that may affect the provisions, terms or funding of Agreement in any manner;
10. Pursuant to federal policy, Agreement may be terminated by the State with 30-day written notice to County;
11. County warrants by execution of Agreement, that no person or selling agency has been employed or retained to solicit or secure this contract upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by County for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this contract without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee;

**EXHIBIT D
(Standard Agreement)**

12. Nothing contained in Agreement or otherwise, shall create any contractual relation between the State and any subcontractor or vendor, and no subcontractor shall relieve County of its responsibilities and obligations hereunder. County agrees to be as fully responsible to State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by County. County's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to County. As a result, State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor or vendor of County;
13. Pursuant to federal law, by signing this agreement or execution of this purchase order the Contractor certifies under the penalty of perjury that the contracting entity is not excluded or ineligible from federal assistance programs and thereby is not on the federal government's list of suspended or debarred entities.

Pursuant to federal law, as a component of the procurement process, the Contractor must review the federal government's list of debarred and suspended vendors and ensure no contract award is provided to a vendor on this list. This list may be viewed at www.epls.gov

14. Upon request, county agrees to provide the Secretary of State with a summary report on its activities under this agreement following each election for which funds are expended that includes: the method used to determine the need for funding an eligible activity, including the reliance on an advisory committee or advisory groups, surveys or any other methodology used to assess the need for the eligible activity; the activity performed and funded; the amount of funding expended; the category or categories of need being met; and any performance metric or assessment of the quality of the activity, including unsolicited public comment, advisory committee or advisory group comment, public comment solicited through surveys and on-site assessments conducted by the County, its agents or others.

ADDITIONAL PROVISIONS

1. Secretary of State Policy Regarding Political Activity in the Workplace

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

1. No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
2. No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.
3. No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
4. No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
5. The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
6. No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.
7. No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.

**EXHIBIT E
(Standard Agreement)**

8. No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
 9. No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
 10. An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.
 11. Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.
2. Tablet Criteria
1. The software and device must be capable of accurately recording all data necessary to assess polling place accessibility (i.e., all portions of the statewide guidelines and checklist used for surveying for polling place accessibility).
 2. The software and device must be capable of transferring all data collected during polling place surveys to a medium where results can be aggregated for purposes of comparing potential polling places, and for purposes of analyzing data at the site level and countywide.
 3. The devices used for housing software to capture data must be used only for the purposes of assessing polling place accessibility with exclusive use safeguarded by appropriate inventory policies and controls.
 4. Polling place specific (site-level) survey results and aggregate survey results must be publicly available upon request.
 5. A report on the program must be produced prior to reimbursement approval that provides certain information, including:
 1. A description of the program.
 2. Cost of the program, including staff training costs and any costs for data storage (e.g., EMS modification)
 3. Amount of vendor support needed for the program's launch and the amount of ongoing support, if any
 4. Increased productivity of the program, if any, measured by staff time, ease of data recall and analysis, and other relevant factors
 5. Amount of additional ongoing support, if any, necessary to sustain the program (e.g., software licensing costs; upgrade costs; continued vendor support; device maintenance, etc.)

If you have questions concerning these restrictions, please refer them to the Secretary of State Office contact person listed on the contract in Exhibit A.
