**MOTION:** 

ATTEST:

ELIZABETH A. KING, Clerk of the Board of Supervisors

#### THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS AGENDA ITEM

DEPT: Chief Executive Office

BOARD AGENDA:5.B.8 AGENDA DATE: June 12, 2018

CONSENT: 📈

CEO CONCURRENCE: YES

4/5 Vote Required: Yes

#### SUBJECT:

Approval to Proceed with Phase II, Exterior Security Enhancements, of the Approved Capital Improvement Plan for the Emergency Operations Center, Establish a New Capital Project Fund, and Issue a Request for Qualifications and Proposals for Evaluation and Design Services

#### **STAFF RECOMMENDATION:**

- 1. Approval to proceed with the Phase II, Exterior Security Enhancement Project of the approved Capital Improvement Plan for the Emergency Operations Centers.
- Direct the Auditor-Controller to establish a new Capital Projects Fund and transfer \$175,000 from the Chief Executive Office, Office of Emergency Services budget, approved for this purpose, for Phase II Exterior Security Enhancements, as detailed in the attached Journals.
- Approval to Issue a Request for Qualifications and Proposals for Evaluation and Design Services for Phase II, Exterior Security Enhancements Project at the Emergency Operations Center, located at 3705 Oakdale Road in Modesto, California.

#### **DISCUSSION:**

On April 25, 2017, the Board of Supervisors approved a Phased Strategy to implement the Capital Improvement Plan for enhancement of the County's Emergency Operations Centers (EOC) to improve emergency preparedness. The Boards' approval authorized the following:

- A. Approved a three phase strategy for Emergency Operations Centers to improve and enhance emergency preparedness;
  - i. Phase I-Minor Tenant Improvement Project at the Emergency Operations Center, located at 3705 Oakdale Road in Modesto;
  - ii. Phase II-Additional Improvements at the Emergency Operations Center to enhance the security perimeter and provide additional storage;
  - iii. Phase III- Site analysis and Alternate Emergency Operations Center(s)/Continuity of Operations Plan (COOP) and modernization of the Agricultural Center's Harvest Hall.

<u>Phase I (Minor Tenant Improvement Project) and Phase III (Site Analysis and Modernization of Harvest Hall) Updates</u>

The Phase I-Minor Tenant Improvement project was completed on December 14, 2017.

On December 12, 2017 the Board of Supervisors approved (BWS) Architects to perform the Phase III Site Analysis for an additional Emergency Operations Center and to modernize the Harvest Hall. Staff are anticipating the recommendation and design phase to be completed in December 2018, at which time the Project Manager will return to the Board of Supervisors with an update.

#### <u>Phase II</u>

The EOC, opened in 1999, houses the County Office of Emergency Services, Fire Warden and Stanislaus Regional 911 (SR911). Should an emergency arise, including a natural disaster, or an act of terror occur in the County, this facility would activate and house key government staff, law enforcement, and personnel from other critical agencies.

In addition to the Departments listed above, this facility also houses key County infrastructure. If approved this phase of the project will modernize the secure perimeter of the EOC. At this time, staff are recommending the Board of Supervisors authorize the Project Manager to issue a Request for Qualifications/Proposals (RFQP) for evaluation and design.

The Scope of work includes:

- 1. Update to the Perimeter Fence and Entryways;
- 2. Parking Lot Re-Configuration;
- 3. Modernization of the Security Camera System;
- 4. Modernization of the Facility Alarm System;
- 5. Evaluation and Recommendation of Secure Exterior Storage;
- 6. Evaluation and Recommendation for the Facility Card Access System

Staff will return to the Board of Supervisors at a later date with a recommendation to award a contract to the vendor who best meets the criteria listed in the RFQP.

#### POLICY ISSUE:

The Board of Supervisors directs the actions to initiate, plan and complete the County's Capital Improvement projects.

#### FISCAL IMPACT:

The actual cost of the Phase II Exterior Improvements project is not yet known. The cost of the Phase II project will depend heavily on the recommendations from the selected design firm. Once the project team completes its work for this Phase, the Project Manager will return to the Board of Supervisors for approval of a comprehensive project budget and financing plan.

This action recommends that the Board of Supervisors approve the establishment of a new Capital Project Fund. Approved appropriations, \$175,000 for this Phase of the project were included in the Chief Executive Office-Office of Emergency Services Fiscal Year 2017-2018 budget and will be transferred to the new Capital Project Fund.

# BOARD OF SUPERVISORS' PRIORITY:

The recommended actions are consistent with the Boards' priority of *Delivering Efficient Public Services and Community Infrastructure* by initiating the Phase II Exterior Security Enhancement project for the County's Emergency Operations Center to improve emergency preparedness.

# STAFFING IMPACT:

This phase of the project will be successfully handled by the Project Manager and the Capital Projects team in collaboration with the Office of Emergency Services team.

# CONTACT PERSON:

Patricia Hill Thomas, Chief Operations Officer, (209) 525-6333
