SUBJECT:

Approval to Appoint the Director of Public Works, David Leamon as the Road Commissioner

STAFF RECOMMENDATION:

1. Appoint David Leamon, Director of Public Works and licensed Civil Engineer, as the County Road Commissioner with full authority accorded by law to the County Road Commissioner.

DISCUSSION:

The County Road Commissioner has statutory authority over the County Roads system. The Road Commissioner authority is used to maintain and build County projects within the right-of-way. Stanislaus County receives highway funding through the Road Commissioner authority. To facilitate the efficient delivery of public services and to ensure compliance with State law and the continuation of road funding appointing a Road Commissioner is necessary. The County Road Commissioner should be experienced in the profession and must be a licensed Civil Engineer in the State of California.

David A. Leamon was appointed as the interim County Road Commissioner on June 2, 2018, when the prior Public Works Director left County service. Mr. Leamon has been a licensed Civil Engineer since 2000 and has 22 years of professional experience. He has been with the Public Works Department since 2007 and was appointed the Director of Public Works on October 20, 2018. It is recommended to appoint Mr. Leamon as the County Road Commissioner with full authority accorded by law to exercise the duties of the County Road Commissioner, effective immediately.

POLICY ISSUE:

Pursuant to California Streets and Highways Code 2006 (c) and (d) a Road Commissioner must be appointed by the Board of Supervisors in order for the County to receive Highway Users Tax Account funds.

FISCAL IMPACT:

There is no additional fiscal impact associated with this action.

BOARD OF SUPERVISORS' PRIORITY:

The recommended action is consistent with the Boards' priority of *Delivering Efficient Public Services and Community Infrastructure* by ensuring the duties of the County Road Commissioner are performed.

STAFFING IMPACT:

The duties of the County Road Commissioner will be performed by the Director of Public Works.
