## Objectives

1. Drawing from survivor experiences and through videos and demonstrations, this training will illustrate the safety risks of phone, GPS, camera, and social media.
2. Ways technology is misused to stalk, abuse or harass survivors.
3. How service providers can help victims assess the abuse that's happening.
4. Offer suggestions on how to document or investigate technology-facilitated abuse.
5. What is happening in Stanislaus County and what everyone should be aware of.
