

**NORTH COUNTY CORRIDOR
EXPRESSWAY TRANSPORTATION AUTHORITY COMMITTEE**

ITEM: 7b

SUBJECT:

Discussion of the NCC implications to current growth limits.

STAFF RECOMMENDATIONS:

Discussion Item Only

FISCAL IMPACT:

Discussion Item Only

DISCUSSION:

The North County Corridor is currently proposed to be within County right of way. However, implications to current growth limits exist to the Cities of Riverbank, Oakdale and Modesto. Beginning the discussion on the affect that a final plan line will have on these entities may be timely. Draft mapping of each of the entities general plan lines with spheres of influence and other appropriate information will be presented at the meeting.
