Eligibility

Eligibility

You are eligible for benefits if you are classified as a full-time employee and work at least 30 hours per week. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- Your legally married spouse
- Your [CA registered domestic partner \(RDP\)](#)
- Children under age 26, including you or your spouse's/RDP's natural children, stepchildren, legally adopted children, foster children and children for whom you have legal custody
- Disabled children age 26 or older who meet certain criteria may continue on your health coverage

Dependent Eligibility Verification

The County requires recorded/certified documentation demonstrating all covered family members meet the eligibility criteria. Proof of eligibility, such as a marriage certificate, RDP registration or birth certificate, is required at the time of enrollment and whenever requested by the County. For further clarification, please contact Employee Benefits by calling 209-525-5717.

Benefit Costs

The County pays a considerable portion of the medical, dental and vision premium costs for you and your eligible family members. The amount will depend upon the plan you select and if you choose to cover eligible family members.

[Click here](#) to view your benefit costs.

Important Information

- County contributions for employees enrolled in the HDHP medical plan is equal to 95% of the plan premium.
- County contributions for employees enrolled in the EPO medical plan is equal to 80% of the plan premium.
- Employee share of premium costs is deducted semi-monthly, before tax, from employee paychecks.
- Employees on an unpaid leave of absence are responsible for paying their premiums directly to the Employee Benefits Department. A leave of absence that is both unpaid and unprotected may result in being responsible for the full premium amount.
- Employees may waive the County's coverage and not enroll in County medical benefits if they provide proof of other coverage. Employees waiving medical coverage and providing proof of other coverage are eligible for a monthly waive credit of \$47.50 to \$150, depending on individual classification.
- Benefit coverage under an employer group health plan for a registered domestic partner is treated as federal taxable income to the employee. The County must tax the employee on the value of the coverage.
- The County does not allow dual coverage on County plans for employee spouse and/or dependents.
- Employees cannot have other (dual) coverage, including Medicare, if enrolled in the County's HDHP medical plan.

Enrollment

How to Enroll

If you are a new hire, you must complete a County Benefit Enrollment Form and return it to your Department's Human Resources, along with any dependent eligibility verification. Any requested changes to your benefits must be made within 60 days of your hire date.

When Coverage Begins

If you enroll on time, coverage will take effect on the first day of the month following your date of hire. If you fail to enroll on time, you will NOT have benefits coverage (except for County-paid benefits) and you must wait until the next Open Enrollment to enroll, unless you have a qualifying life event.

Making Election Changes

Due to Internal Revenue Service (IRS) regulations, you can change your benefit elections only during annual Open Enrollment or if you have a qualifying life event.

Open Enrollment

Open Enrollment occurs once per year and is your opportunity to review your benefit options to determine what coverage best meets your needs for the next plan year, effective January 1.

Qualifying Life Events

Benefit election changes outside of Open Enrollment may only be made if you experience a qualifying life event. Following are examples:

- Marriage or divorce
- Annulment or dissolution of CA registered domestic partnership
- Birth or adoption of a child
- Change in child custody
- Child reaching age 26
- Loss or gain of coverage under your spouse's/RDP's plan
- Change in coverage election made by your spouse/RDP during his/her employer's Open Enrollment period

You are responsible for notifying Employee Benefits and making your election changes within 60 days of the qualifying life event.

Changes become effective on the first of the month following the date of the qualifying life event, except when the change is due to the birth or adoption of a child. In these cases, coverage becomes effective on the date of the event.

Medical Program and Network

The County's medical program is designed to help maintain wellness and protect you and your family from major financial hardship in the event of illness or injury.

The medical program has two parts:

- Part 1: you are assigned a network
- Part 2: you select a medical plan

PART 1: Understanding Your Location and Network Providers

Your access to in-network medical health care providers and facilities will depend on where you live.

- **If you live in the local service area**, you will be automatically enrolled in the Health Partners of Northern California (HPNC) network. (For more information, refer to the map on [page 6](#).)
- **If you live outside the local service area**, you will be automatically enrolled in the UnitedHealthcare (UHC) network and will only have access to those health providers and facilities.

Both health networks offer a comprehensive list of providers and access to local, regional and national medical centers that offer the best possible care for both routine and complex medical care issues. The table provides some general information on each network.

To search for providers in the HPNC network, visit www.healthpartnersnca.org. To search for providers in the UHC network, visit www.myUHC.com.

These claims are paid at the in-network level. Please call for pre-authorization of any service in the NOoAN.

Note: In the event of an emergency, we encourage you to seek immediate care at the nearest facility. Services will be paid at the in-network level for a true emergency.

Medical Plans

PART 2: Select Your Medical Plan

The County offers you a choice between two different medical plans that provide comprehensive medical and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle. All County medical plans comply with the standards provided by the Patient Protection and Affordable Care Act (federal health care reform). Following is a brief description of each plan.

High-Deductible Health Plan (HDHP) With Health Savings Account (HSA)

The HDHP HSA plan comes at a lower premium cost and includes an annual deductible. The highlight of the plan is that it comes with a health savings account (HSA) through Optum Bank that is partially funded by the County. An HSA is a personal savings account that allows you to save and pay for qualified health care expenses with federally tax-free dollars*—now or in the future. See [page 13](#) for more information about the HSA.

Here's how the HDHP HSA plan works:

- **Annual Deductible:** You must meet the entire annual deductible before the plan starts to pay for medical and prescription drug expenses.
- **Preventive Care:** Routine preventive care services, such as annual physicals, are covered at 100% and the deductible does not apply.
- **Copays:** Once you meet the plan's annual deductible, you will pay a fixed dollar amount (copay), which is the amount you will pay out-of-pocket for each office visit, service or prescription drug.
- **Out-of-Pocket Maximum:** Once you reach the out-of-pocket maximum, the plan will pay 100% of all eligible covered services and prescription drugs for the rest of the plan year.
- **Health Savings Account:** You may use your HSA funds to pay for qualified health care expenses, including your deductible and copays.

Exclusive Provider Organization Plan (EPO)

The EPO plan initially offers a higher level of benefits than the HDHP with HSA; however, the premiums are higher as well. There is no annual deductible. All benefits are based on a fixed dollar amount (copay), which is the amount you will pay out-of-pocket for each office visit, service or prescription drug. The EPO plan functions like a traditional HMO plan and may offer additional convenience for employees who are willing to pay a higher monthly premium or who are otherwise unable to participate in the HDHP with HSA option due to having other coverage including Medicare.

It is important to remember, medical providers who are not in-network or contracted with Health Partners of Northern California or UnitedHealthcare will not be covered under the EPO plan.

*Tax free under federal tax law; state taxation rules apply in California.

Pharmacy Benefits

Retail Pharmacy—Up to a 90-Day Supply

When you fill a prescription at a participating retail pharmacy, you may purchase up to a 90-day supply. At the participating pharmacy, you will need to present your ID card and an applicable payment. Most major pharmacies are in our plan's pharmacy network. To find a participating pharmacy near you, call **RxBenefits** at 800-334-8134 or email customercare@rxbenefits.com. Their Member Services Team is available Monday through Friday, 5 a.m.–6 p.m. PT.

SAVE MONEY ON YOUR MEDICATIONS

Ask for Generic Drugs

You can save money by asking for generic drugs. The FDA requires that generic drugs have the same high quality, strength, purity and stability as brand-name drugs. The next time you need a prescription, ask your doctor to prescribe a generic drug if it is available and appropriate.

Use Mail Order

If you require regular medication for a long-term or chronic condition, such as arthritis or diabetes, you can save money by using your plan's mail-order service.

Telemedicine & Health Bridges

Telemedicine - Amwell

To provide more convenient and timely access to medical care for County plan participants, the County is happy to offer Amwell, our telemedicine partner. This benefit is available for all HPNC and UHC health plan participants.

The County's telemedicine services allow you to be seen by board-certified practitioners, 24/7/365, from anywhere, using a smartphone, tablet or standard telephone. Telemedicine physicians can treat a variety of less-complex conditions such as colds, flu, allergies and infections as well as prescribe medications for the treatment of these conditions (limitations apply). Additional services include Behavioral Health (therapy and psychiatry), nutritional counseling and smoking cessation.

The cost varies by services obtained but is comparable to an in-office visit. Charges for telemedicine visits (and related prescriptions) will be applied to HDHP members' deductibles. Pharmacy charges will be treated as if you went to your usual physician.

Dental Plans

The County offers you a choice between two dental plans through Delta Dental. Both plans allow you to visit the dentist of your choice; however, you will maximize your benefits and reduce your out-of-pocket costs when you visit a provider in the plan's contracted network.

- The **Core plan** offers discounted dental services provided through the Delta Dental PPO network.
- The **Buy-Up plan** offers discounted dental services provided through the Delta Dental PPO and Premier networks; however, costs are usually lower when you visit a PPO dentist. The plan also offers a higher calendar year benefit maximum and orthodontia coverage for children. Once enrolled in the Buy-Up plan, coverage must be **retained for at least three years**.

For more information on Delta Dental or to review a list of network providers, visit www.deltadentalins.com or call 800-765-6003.

Dental Incentive Program

For your first year on the dental plan, Delta Dental will pay 70% of the cost for covered services. The amount Delta Dental pays will increase by 10% each year (to a maximum of 100%) for each individual enrolled in the plan, as long as that person visits the dentist at least once during the plan year. Below is an example of the Incentive Program:

*After the fourth year, your coverage will remain at 100% as long as you continue your annual dental visit.

Health Savings Account

When you enroll in the HDHP medical plan, you get a health savings account (HSA) through Optum Bank. An HSA is a personal savings account that allows you to save and pay for qualified health care expenses with federally tax-free dollars—now or in the future. *Note: If you and your spouse both work for the County, you cannot be enrolled in separate HSAs.*

How Your HSA is Funded

The County helps fund your HSA with a generous contribution based on your medical plan coverage level (see table below). You may also make voluntary contributions into your HSA through convenient payroll deductions. IRS rules allow you to contribute to your HSA on a pre-tax basis, meaning you pay less taxes per paycheck. Your contributions, when combined with any contributions from the County, may not exceed the IRS annual limits listed below.

2025 HSA Contribution Limit			
Coverage Level	County*	You	IRS Limit
Employee Only	\$1,350	\$2,950	\$4,300
Employee + 1 or More	\$2,600	\$5,950	\$8,550
Catch-up (age 55+)	N/A	\$1,000	\$1,000

*County contributions are deposited in two stages: half of the funds in January and the other half divided into 12 semi-monthly deposits from July to December. The County will only provide one County-provided HSA contribution to two employees who are married to each other, both employed by the County and eligible for health benefits.

Using Your HSA Funds

You may use your HSA funds to pay for qualified health care expenses for yourself and your IRS tax dependents, even if they are not enrolled in the HDHP medical plan.

- Optum Bank will provide you with a MasterCard debit card to use at the point-of-sale or ATM
- Pay bills online at www.optumbank.com

Qualified Health Care Expenses

Eligible expenses include, but are not limited to:

- Medical care, prescriptions, dental and vision care (including deductibles, coinsurance and copays)
- COBRA premiums
- Health insurance premiums while unemployed
- Long-term care insurance
- Medicare insurance premiums including A, B, C, D and Medicare Advantage products (not Medigap)

[Click here](#) for a list of qualified health care expenses.

You may also use your HSA funds for non-qualified expenses, but you will be required to pay income tax and a 20% tax penalty. (The 20% penalty doesn't apply if you become disabled or after you've reached age 65.)

HSA Eligibility Rules

You must meet all of the following criteria to open and contribute to an HSA:

- Enrolled in the HDHP medical plan and not covered by any other medical plan
- Not enrolled in the health care FSA
- Not enrolled in Medicare, TRICARE or Medicaid
- Not claimed as a dependent on another's tax return

ADVANTAGES OF AN HSA

Triple tax-advantaged.*

1. Tax-free contributions made through payroll.
2. Tax-free growth on interest and investment earnings.
3. Tax free if used for eligible health care expenses.

*Tax free under federal tax law; state taxation rules apply in California.

No use-it-or-lose-it rule.

Your unused HSA funds roll over year-to-year.

You own the money.

You can take it with you if you retire or change employers.

Long-term savings.

Unused funds can grow through interest and investment earnings.

To learn more about the HSA, visit the [Employee Benefits website](#).

Flexible Spending Accounts

The County offers two flexible spending accounts (FSAs) administered through P&A Group. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you lower your taxable income and increase your take-home pay.

Health Care FSA	
Eligible Expenses	Deductibles, copays and coinsurance for medical, dental and vision care, eyeglasses, contact lenses and supplies, prescription medications, laser eye surgery (LASIK), menstrual care products and over-the-counter (OTC) medications. Click here for a list of eligible expenses. Employees enrolled in the HDHP with HSA medical plan are NOT eligible to enroll in the health care FSA.
Use the Money For	Yourself, your spouse and your children under age 26.
2025 Maximum Annual Contribution	<ul style="list-style-type: none"> \$3,300 The entire amount you set aside is available to use on your coverage effective date
Dependent Care FSA

2025 Maximum Annual Contribution	<ul style="list-style-type: none"> \$5,000 (or \$2,500 if married and filing separate tax returns) Dependent care funds are available up to your current account balance only

IMPORTANT FSA RULES

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

- **USE IT OR LOSE IT:** Unused funds will NOT be returned to you or carried over to the following year.
- You can incur expenses through December 31, 2025, and must file all claims by March 31, 2026.
- **Save your receipts!** P&A Group may request itemized receipts to substantiate a claim.
- **You must enroll each year during Open Enrollment to participate.**
- You cannot stop or change your contributions unless you experience certain qualifying life events.

Life/AD&D Insurance

Life insurance provides your named beneficiary(ies) with a benefit in the event you pass away. Accidental death and dismemberment (AD&D) insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye). In the event that you pass away due to a covered accident, both the life and the AD&D benefit would be payable.

Following is an overview of the life/AD&D benefits. For more information, refer to the Summary Plan Documents on the [Employee Benefits website](#).

Basic Life/AD&D (County-paid)

This benefit is provided at **NO COST** to you through Voya (Reliastar). The County pays 100% of the cost.

Benefit Amount	The amount of basic life insurance provided depends on the employee's job classification. Please refer to your Benefit Enrollment Form for the amount of coverage.

Supplemental Life/AD&D (Employee-paid)

If you determine you need more than the basic coverage, you may purchase additional coverage through Voya (Reliastar) for yourself and your eligible family members.

	Benefit Option	Guaranteed Issue*
Employee	Minimum of \$20,000 up to \$300,000	\$100,000
Spouse/RDP	\$20,000 or \$30,000 ^{1,2}	\$30,000
Child(ren)	Under age 26 - \$10,000 ^{1,2}	\$10,000

¹ You must maintain coverage for yourself in order to have coverage for your spouse/RDP and children.

² Not to exceed the employee's coverage amount.

*During your initial eligibility period only, you can receive coverage up to the Guaranteed Issue amounts without having to provide Evidence of Insurability (EOI, or information about your health). Coverage amounts that require EOI will not be effective unless approved by the insurance carrier.

NAMING YOUR BENEFICIARY(IES)

Your beneficiaries are the people you name to receive your life and AD&D benefit in the event you pass away. You should regularly review and, if necessary, update your beneficiary designations.

You can update your beneficiary at any time during the year on [PeopleSoft Self-Service](#).

Voluntary Benefits

Our voluntary benefits through Voya (Reliastar) are designed to complement your health care coverage and allow you to customize your benefits to you and your family's needs. Coverage is also available for your spouse/RDP and children when you enroll. The plans pay cash benefits that you can use for any purpose you like. For example: to help pay for expenses not covered by your medical plan, lost wages, child care, travel, home health care costs or any of your regular household expenses.

Accident Insurance

This coverage pays cash benefits directly to you when you have a covered accident. It also pays benefits for the care of specific injuries resulting from a covered accident, including emergency room care, ambulance rides and hospital stays.

Accident insurance pays \$150 per calendar year for each covered employee and spouse who receives a covered health screening such as a pap test, cholesterol test, mammography, colonoscopy or stress test. The child benefit is 50% of the employee's wellness benefit amount, to a maximum of \$300 for all children.

Critical illness insurance pays \$100 per calendar year for each covered employee and spouse who receives a covered health screening such as a pap test, cholesterol test, mammography, colonoscopy or stress test. The child benefit is 50% of the employee's wellness benefit amount, to a maximum of \$200 for all children.
